

NORTH BERWICK TRUST

SPONSORS OF *The Trailmakers*

We want you to be part of what is set to be the **BIGGEST** community event of the summer!

Why you should join the drove?

The Big Hare Trail offers individuals and community groups a massive platform to showcase your members' skills and your group's values to the local community and visitors to North Berwick.

Hare's how you can help:

1. Looking after the Hares

North Berwick gets very busy over the summer and the Hares are bound to attract even greater footfall. We want to ensure the locations where we have kindly been granted permission to host the Hares and the Hares themselves are maintained and kept clean – to best reflect our beautiful community.

- Check on Hares and report any damage
- Clean Hares (materials supplied)
- Clean and maintain area surrounding the Hare and/or report back any concerns

*Maintenance will predominantly be needed during the week. Individuals or groups are welcome to volunteer regularly or as a one-off.

2. Becoming Ambassadors for the trail

Locals and visitors to North Berwick may come specially to see the Hares or simply stumble across them. Our Ambassadors will be out and about, raising awareness about the trail, Leuchie House, the local history and the sponsors.

- Engage with trail goers and act as trail ambassadors
- Circulate trail maps and fundraising information
- Facilitate fundraising and collections
- Sell merchandise

*Ambassadors will predominantly be needed at weekends. Individuals or groups are welcome to volunteer regularly or as a one-off.

3. Launch, Farewell Event and Auction volunteers

To make the most of our 10th Anniversary celebrations and The Big Hare Trail, we will be organising a number of complimentary events. With the idea that 'many hands make light work' we'd welcome volunteers looking to get involved in the planning and organising or simply offering ad-hoc support where needed.

- Support Leuchie's fundraising team to plan and organise events
- Sell tickets, seek sponsorship or prizes
- Money handling at events
- Steward event participants to ensure health and safety

Trailmaker Training

To become a Trailmaker we would like to invite you along to a training session to provide you with more insight into the trail, give you your Trailmakers' T-shirt, information pack, health & safety briefing and to learn more about Leuchie House.

*This may be a virtual get together. We can also hold these sessions for corporate and community groups looking to volunteer together.
